WHAT'S HAPPENING

Do you want colder AC?

If your property has central air, please remember to replace the furnace filter every two months. For through the wall air conditioners, please clean the filter about once a month during heavy use by simply removing the filter from the AC unit and spraying it off at the kitchen sink with the vegetable sprayer. Filter replacement and regular cleanings will make the AC last longer, blow colder air, and keep the dust down in your home. If you need help changing or cleaning a filter, please call the office and we will send someone out free of charge to give you a step-by-step!

Free flowers; it's as easy as 1 - 2 - 3

If you...
 1) Purchase up to \$25 worth of flowers – save your receipt.
 2) Plant these in any existing flowerbeds in your front yard.
 3) Return your receipt to us by June 30, 2021.

We will... Send you a check for the purchase price of the flowers – up to \$25.
